Brig. The Hon. Mr. Justice E. B. Wilson	

## PRESIDENT'S MESSAGE — (JUNE, 1958)

MAJOR E. D. WAINES  
1958 President

BEFORE telling you of present affairs of the Institute, or of our plans for the future, I would like to comment on the year of our past-president, S/L. Herb Mackenzie. In 1957 more new members joined the Institute than in any previous year. It was a year that was not without growing pains, as many of our functions are without cost or below cost to members attending. The result, due to larger attendance at these functions, was more money had to be paid out of our net revenue from dues.

S/L. Mackenzie and his directors, and the Honorary-Secretary, some of who retired last year-end, deserve full credit and our recognition for the excellent administrative work they did last year and for the excellent social affairs they arranged.

Our present position is an enviable one in many ways . . . and is unique in tri-service institutes. On the other hand we have problems. The problems are not insurmountable and most of them, we believe, can be resolved this year, or plans can be laid to overcome them next year.

The Alberta United Services Institute in Calgary is, we are led to believe, the second largest tri-service officers' club in Canada. We have over 1,400 members, and we have no honorary members or associate members. We definitely are the most active Institute of our kind in Canada. We enjoy most attractive, if somewhat cramped, quarters along with officers of the Mewata Garrison, and relations between our two organizations have never been more harmonious. We are fortunate in the individual attention we receive from the staff and in the excellent meals from the catering company and its capable staff. Functions we hold are well attended, well organized, enjoyed and are colorful. We have money in bonds and we have money in the bank. Our members still enjoy the lowest dues for any comparable quarters and services we know of anywhere . . . and our lounge is more attractive than any of the clubs in the city where the dues are ten times or more than ours. These are some of our blessings.

Pressing problems now engage our attention, however. An obvious one is that of crowding in our mess quarters. On some week days, luncheon hour finds our lounge and temporary dining room with every seat filled. Nothing could be more encouraging, but further and expected increases in membership will make this a cause of discontent. There has

(Continued on page 5.)

## PAST PRESIDENT'S ANNUAL ADDRESS —(JANUARY, 1957)

THE 37th year of activity for the Alberta United Services Institute is now history and at this time I again wish to express my thanks for the honour of having been your President.

Only two receptions were held during the year, namely the President's Reception, which was well attended, and the reception held in August for the visiting members of the Imperial Defence College. This reception was well attended and enjoyed by all.

Speakers for monthly meetings was again a problem, but those we had were worthwhile and thoroughly enjoyed by all in attendance and my thanks go to our guest speakers.

Once again our Annual Mess Dinner in commemoration of Vimy was well attended. However, the crowd could have been greater and at this time I wish to remind all members that the dinner and meeting in commemoration of Vimy is your Institute Annual Mess Dinner and as such deserves your whole-hearted support.

Once again our Military Ball was an outstanding success.

My thanks at this time go to Lt.-Col. Greenleaf in permitting his ceremonial trumpeters to make their first public appearance at our Military Ball. My thanks also to the Strathconas and Capt. McLeod for the very fine dance music so ably rendered by the Regiment's orchestra. There is only one sobering note to our Ball this year and I regret to report that we lost approximately \$100 worth of decorations in the form of models of ships, tanks, and planes, etc. I do hope, gentlemen, this does not become an annual occurrence as it could become expensive.

This year, for the first time we held what I hope will become an annual affair, that is an outdoor barbecue at which our ladies were present. The crowd in attendance was certainly beyond all expectations of your Directorate.

As announced at the annual Mess Dinner, the Institute is providing trophies and monetary awards to the best Cadet Units in Southern Alberta. The following units were the winners and have been presented with their awards: Navy, Red Deer naval cadets; Army, R.C.E. army cadets, Lethbridge; Air Force, Air Force Cadet Squadron, Red Deer.

S/L. H. L. MACKENZIE  
1957 President

(Continued on page 14)

## REPORT OF SECRETARY-TREASURER —(1957)

The Institute continued to progress during the past year.

### ● MEETINGS

Our first meeting was held January 16, with the Calgary branch of the Engineering Institute as guests. It was addressed by Brig. H. L. Meuser, O.B.E., C.D., on the subject of Northwest Highway System.

In accordance with policy decided upon in 1956, there was a reception by the incoming and outgoing presidents of the Institute the evening of Saturday, February 23, for members only, which was one of the best social functions of the year.

The annual mess dinner commemorating the Battle of Vimy was attended by approximately 250 members and guests on April 12, 1957, at the Palliser Hotel. The guest speaker was Air Vice-Marshal Plant, LL.D., C.B.E., A.F.C., C.D., former ACC of Air Material Command. His subject being the role played by NATO, and defence problems.

Our next meeting was May 15, when Bob Masterson, manager of the Stampeders Football Club, gave a talk on football and showed a color film of the 1956 Grey Cup game.

Mr. D. R. F. Brower, Regional Director, United Kingdom Information Service, Vancouver, addressed the June 12th meeting. His subject being "Atomic Energy in Harness," with a film in color entitled "Atomic Achievement."

### ● RECEPTION

The only reception of the year for visitors was one for the visiting Imperial Defence College Party,

held August 9, which was attended by a representative cross section of the members.

The chief social function of the summer was a barbecue supper held at Sarcee camp, August 17, which was well attended by 600 members and guests and was the first mixed party of its kind. The current directors hope it will become an annual fixture.

The first fall meeting, September 27, was a talk by Mr. Art Randall, of Richfield Oil Corporation, entitled "Magic Barrel." In addition, a color film was shown on oil exploration through the courtesy of Shell Oil Co.

On the 28th of October, S/L. Halcrow spoke on Hay Lakes, fieldman for Ducks Unlimited.

The Military Ball, held November 15, at the Palliser Hotel, was up to its usual standards with over 500 in attendance. I regret to report that in both this function and in the Vimy Dinner the number of First Great War veterans in attendance was very small. In fact, they almost disappeared for the first time at the ball.

The annual New Year's reception was held January 1.

### ● CARD CHECK

The Garrison Officers' Mess has started a system of checking on membership cards by commissionaires which is a source of satisfaction to the Institute.

### ● GRANT

The Institute again received an annual grant from the Department of National Defence for \$437. The former grant was for \$750.

On February 1, 1957, the direc-

tors engaged Mrs. Helen Dunbar as assistant secretary to handle the increase in routine work.

● FREEMAN  
MEMORIAL SCHOLARSHIP

Word has been received that the candidate for the W/Cdr. Don

Freeman scholarship, Donald Rod-  
erick McKinnon has qualified on  
his year-end examinations.

I recommend that the Journal  
be published in 1958 and that the  
Annual Mess Dinner commemor-  
ating the Battle of Vimy, and the  
Military Ball be held Jan 31, 1958.

January 31st, 1958.

D. AUSTIN LANE.

---

**PRESIDENT'S MESSAGE** — Continued from page 2.

also been an increase in recent years in the social activities of Garrison units, and our own, that require the lounge. To confine non-participating Garrison and A.U.S.I. members on these evenings to the remaining space in the mess at present is unavoidable, though disconcerting.

To cope with this present problem the A.U.S.I., in concert with the Mewata Garrison Mess, have requested of "the powers that be" permission be given to the combined mess to take over and use more space in the Armouries for our mutual need. With this added space it is suggested that a function of any unit, or ourselves, will not prevent other members from enjoying their full mess privileges. Discussions are well under way on this plan. So far it has met with approval at all levels of discussion. A.U.S.I. members must be advised, however, that these added conveniences will not be without cost.

Another problem that also has developed due to A.U.S.I. growth is that of administration of routine affairs of the Institute. These are not the affairs that engage the attention of the directors. Nor are they the affairs that part-time or volunteer member help can cope with. We are operating a large club and large clubs our size in this city have a number of full-time paid employees to take care of the same routine with which we are faced. We would not require as large a staff . . . but it is very apparent that we have grown to where we need an office and equipment and furnishings of our own with some full-time help. This, also, will cost money.

We have agreed to continue, and with increased membership we should expand our support of tri-service cadet activity, cadet scholarship, cadet trophies for sports events, support of our A.U.S.I. cricket club, Navy Army and Air Force permanent force and militia public presentations . . . and social functions of our own members.

We mention here that overtures have been made to other Institutes in Canada for temporary exchanges of privileges for visiting members when advised by letter in advance. In cost cases the suggestion has been received enthusiastically.

In closing this message, I say that it will be a memorable year for me, and I hope that the directors and myself can make it one for you, also.

We will appreciate your advice and your co-operation.

# AUDITOR'S REPORT FOR 1957

The President and Members, The Alberta United Services Institute :

In accordance with your request, I have examined the balance sheet of The Alberta United Services Institute as at December 31, 1957, and the statement of revenue and expenses for the year ended on that date. I examined vouchers for disbursements and verified membership dues by examination of membership certificate stubs. I performed such verification of other revenue and the assets and liabilities as I considered appropriate and received all the information and explanations I required.

In my opinion, the balance sheet and related statement of revenue and expenses present a true and correct view of the affairs of the Institute as at December 31, 1957, and the results of operations for the year ended on that date, according to the best of my information and the explanations given to me and as shown by the books of the Institute.

D. J. Morrison, Lieut. (S) R.C.N. (R), Auditor  
Calgary, Alberta, January 28, 1958.

## STATEMENT OF REVENUE AND EXPENDITURES

For the year ended December 31, 1957

### REVENUE

Membership dues		\$ 8,164.15
Grant — Department of National Defence		437.00
Interest		513.55
1955 - 1956 Journal:		
Provision set up in 1956 and advertising	\$ 987.32	
Less — Cost of publishing	864.43	122.89
Profit on sale of bonds		67.50
Donation to library		10.00
		<u>\$ 9,315.09</u>

Honorary Secretary - Treasurer

## LIBRARIAN'S REPORT FOR 1957

Mr. President and Gentlemen:

At our annual general meeting in January of last year I was very pleased to report to you that there was an increased interest in our Library. During the past year I have been gratified to meet even more Institute members who have at last realized that we offer more than a bar and a billiards table.

As is routine I appeal to Library fans to return the borrowed books. This matter of delayed book returns is a worry of librarians the world over. So I am not unique.

We have added a total of 37 volumes during the year; 16 by donation and 21 by purchase. The number of donations (all from members) is a measure of the increased interest which I mentioned previously.

For the future I would ask members to feel free to consult me at any time, whether it be regarding books already in the Library or concerning books which they feel the Library should acquire. In this connection I shall be happy to receive donations at any time of any type of book. If they are not suitable for our rather specialized tastes they can easily be passed on to the Colonel Belcher Hospital or the Baker Memorial Sanatorium.

Finally I would like to recommend that you vote \$100 for the maintenance and expansion of your Library during 1958.

Books donated during 1957 include:

"Beach Red", Bowman; "c/o The Postmaster", St. George; "No Time for Sergeants", MacHyman; "Five Ventures", Buckley; "Canada's Wac at Sea", Leacock et al; "The Royal Family in Wartime"; "Unfinished History", Kaiserlingk; "Gallipoli Memories", Mackenzie; "Wellington", Geudalla; "Twenty-five Years", Grey of Falloden; "A Generation on Trial", Cooke; "Hitler", Heiden; "Conspiracy among Generals", von Schramm; "Grand Strategy" Vol. 11, Butler; "The Defence of the U.K.", Collier; "British Military Administration in the Far East '43-'46", Donnison; "Passport to Eternity", Goodwin; "Retreat to Victory", Michie; "Canadians in Italy, '43-'45", Nicholson; "Invasion 1940", Fleming; "Turn of the Tide", Bryant; "Regiments and Uniforms of the British Army", Barnes; "Make a Signal", Broome; "Rock of Exile", Booy; "Mission Completed", Embry; "The War at Sea", Roskill; "Captured in Tibet", Ford; "Sea Warfare 1939-45", Ruge; "The Eighty-five Days", Thompson; "Zero", Kuniya and Horikoshi; "Day of Infamy", Lord; "Islands in Danger", Wood and Wood; "Cassino", Majdalany; "The Sledge Patrol", Howarth; "The Indians of Canada"; "Canada - 1957"; "St. Lawrence Seaway".

All of which is respectfully submitted.

D. SHUTE,  
Honorary Librarian.

# THE ANNUAL MEETING, 1958

The Annual Meeting of the Alberta United Services Institute was held in the Garrison Officers' Mess at Mewata Armouries January 31, 1958. The President, S/L. H. L. Mackenzie, was in the chair and the meeting opened at 8:30 p.m. and was attended by approximately 75 members.

## • MINUTES

The Secretary read the Minutes of the last Annual Meeting, and it was moved by Col. Cunningham and seconded by Capt. Turner (carried) that the minutes be adopted as read.

## • PRESIDENT'S REPORT

The President read his report and moved its adoption. This was seconded and carried.

## • SECRETARY-TREASURER'S REPORT

This report was read by F/Lt. Lane and approved.

## • AUDITOR'S REPORT

Lieut. Morrison read his report and presented the annual financial statement. He moved its adoption, which was seconded by Col. Cunningham and, after considerable discussion, the motion was carried.

## • LIBRARIAN'S REPORT

Surg. Lt.-Cdr. D. Shute read his report. He referred specifically to the value of the Library and, while moving the report's adoption, suggested that the grant of \$100 be continued. This was seconded and carried with applause.

## • SCHOLARSHIP

The Secretary reported that on the morning prior to the meeting he had received a letter from the Registrar of the University of Alberta regarding the examination results of the lone applicant Mr. Donald Mackinnon of Olds, Alberta, and that everything was now apparently in order to make the award which the directors had decided to have done at an early function.

## • BUILDING FUND

Brig. K. B. Lockett, O.B.E., E.D., referring to the financial statement, stated that it would appear necessary to increase dues or raise the price of admission at Institute functions.

He made a motion, which was not seconded, that an increase of \$5 a year in membership dues be implemented. He recommended that this be done so that there would be no deficit on the 1958 operation.

Col. Cunningham pointed out that never before had the Military Ball shown a loss, and he stated that in fact it had always

shown a profit, with the exception of one year.

The following was moved by Col. Cunningham, seconded by Major Aubrey Edwards and carried: That the incoming directorate take cognizance of the remarks made at this meeting.

It was moved by Lt. H. W. Owens, seconded by Ford Mallett, that membership dues be increased to \$20 a year for members now paying \$10 and that other be on a pro rata basis. The motion was lost.

## • ELECTION OF OFFICERS

The following officers were elected by acclamation: President—Major E. D. Waines; Vice-president—Lt. Col. J. H. Mooney, E.D.; Navy Director—Lt. Cmdr. G. Manolescu, C.D.; Air Force Director—F/O Dave Coutts; Army Director—Major Peter Fry, Major J. C. Anderson; Auditor—Lt. D. Morrison; Librarian—Surg. Lt. Cmdr. D. Shute. The Continuing Directors are: Army—Lt. Col. M. Tennant, Lt. Col. C. M. Johnson; Air Force—F/Lt. M. P. Stronach.

S/L. Mackenzie then handed the meeting over to the new President, Major Waines, who expressed his appreciation for being elected to the Presidency and for having been on the directorate for the past three years. He paid tribute to S/Ldr. Mackenzie for the progress made during the past year on behalf of the Institute.

He pointed out that the Institute is the second largest in Canada and noted with satisfaction the appreciable increase of R.C.A.F. and Navy men who had joined, commenting—again with satisfaction—on the harmony which had prevailed in the Institute and the Garrison Officer's Mess during the past year. He said the directorate would welcome any suggestions made by the members with regards to the Institute's progress.

It was moved by Col. Cunningham, seconded by Major Anderson, that a hearty vote of thanks be tendered S/L. Mackenzie for his work as President during the past year, and that a vote of thanks be accorded to The Calgary Herald, The Albertan and the radio and TV stations for their co-operation. This was carried with applause.

The meeting closed with the singing of the Queen at 10:30 p.m. and refreshments were served.

## CRICKET

The 1957 Alberta United Services Cricket Club was most successful and, although the club did not win the local league championship, it did finish in second place. For the second straight year the club won the Hingston Cup which is now housed with the other trophies in the Garrison Officer's Mess.

A most ambitious tour of California was undertaken by members of the A.U.S.C.C. A touring side which included six members of the club, travelled 3,000 miles, played six games and made a great many friends for Canada.

Officers elected for the 1958 season are: Lt. Col. P. W. H. Higgs, president; Lt. C. D. Lester, secretary; Lt. B. Shaw, treasurer, and F/O W. R. Douglas, team captain for 1958.

## CURLING DAY

During this spring . . . when the bonspiel finals were being played in Calgary . . . A.U.S.I. members were being confronted every hour by different groups of burly big men in Cowichan sweaters dashing up and down the back stairs of the mess. Little plaid tams were parked all over the place. The curlers, in ruddy health, toasted each other and talked of rocks they had thrown.

When the experts left to throw more rocks . . . a number of A.U.S.I. and Garrison members . . . suddenly (after a long silent look at each other) inspired by the evident good fellowship of participants in the increasingly popular game . . . started issuing challenges to each other.

The idea grew rapidly. A phone call discovered ice was available two days hence at the Meadow Lark Curling Club. Eight rinks were immediately reserved and a list of known entrants was posted on the wall. Plans grew apace as everyone who came into the room decided to play.

### • SIXTY TAKE PART

The result was one of the most enjoyable events of the year for those sixty members who took part. It was an impromptu challenge curling day, with pick-up teams, and no prizes, no records and no recognition. Everyone paid their own expenses.

A banquet permit for a temporary bar was obtained.

The Garrison Mess arranged to staff it and also a much enjoyed hot dinner to be served at the curling club by the Calgary Caterers. It was a "fair do".

In view of the interest demonstrated and the enthusiasm shown, it is likely curling will be included in A.U.S.I. activities in the 1958-59 winter.

## In Memoriam

The Alberta United Services  
Institute established a

### SCHOLARSHIP

of \$300 each year as a memoriam to Wing Commander Don Freeman, D.F.C., who, at the time of his death, November 29, 1953, was piloting a Mustang fighter plane. He was Commanding Officer, 403 Squadron. (City of Calgary) reserve R.C.A.F. The first applicant to qualify for the award was:

Donald Roderick MacKinnon of Olds, Alberta, a first year Arts student at the University of Alberta. At the time he was a member of the R.C.A.F. Reserve University Squadron in Edmonton.

On the date when the final report was received from the Registrar of the University showing pass marks on the December term examinations, Mr. MacKinnon was killed in an auto accident on a trip from Edmonton to his home at Olds, Friday, February 14th, 1958. Unfortunately the report was not received in time for the presentation of the award to be made at a suitable function of the Institute.

## A.U.S.I. CADET HOCKEY TROPHY

The new trophy, presented for the first time last winter was won by The Lord Strathcona Horse Cadets. The A.U.S.I. trophy is up for annual competition and an engraved replica is given each year to be kept permanently by the winning team. The Navy, Army and Air Force Cadets compete in the Tri-Service Cadet Hockey League.

This year about 100 hockey playing service cadets, on Saturday, March 29th, attended a dinner at the Royal Hotel. On behalf of the A.U.S.I., Vice-President Lt. Col. J. Mooney made the presentation.

\* \* \*

### "GREY CUP" OYSTER PARTY

Three TV sets were placed in the A.U.S.I.-and-Mewata Garrison Mess on the day of the Canadian Football final game. At twelve noon, oysters on the half shell were available (for a reasonable charge) along with Guinness', McEwan's and other appropriate liquids. The attendance was large and we ran out of oysters long before the game.

# THE ANNUAL BARBECUE, 1957

The 650 A.U.S.I. members, wives and friends who attended the annual barbecue in 1957 will well remember the color, fun and frolic in a perfect setting on a pleasant day.

The barbecue was held August 17, in Sarcee Camp at the old "Officers' Mess" on the hill overlooking the Elbow River.

The party commenced at 3 p.m. rather sedately. Tickets included food and beer . . . and a bar was to open at 8 p.m. Supper was to be served at 5:30 in the afternoon.

## • MANY TURN OUT

Members and guests arrived in such numbers and so early that long before

dinner the bar had to be opened as 1,800 beers already had been consumed. The barbecued beef was cooked to perfection and the people attending averaged over a pound of barbecued beef each.

During dinner an orchestra played and later supplied music for the dance which started at 8 p.m. It was a full day for members and an inexpensive one. It was not so inexpensive from the A.U.S.I. treasury point of view, however. It was not intended that a profit be made on the event . . . in fact, a small loss was anticipated. However, such was the unexpected number of people who turned out that the loss was considerable. It was worth it.

---

## BILLIARD CHAMPION VISITS MESS

New Zealander Clark McConachie, one-time English billiards champion of the world, in a two-day exhibition in Calgary made an afternoon and evening visit to the Mess. The date was in March, and he played two hours each session.

In billiards the players who opposed Mr. McConachie looked like cue-racks as he was shooting 95 per cent of the time.

In snooker, however, he had a much more lively time. Each player opposing was given five black balls spot (35). Three of the seven players from the Mess were successful in winning.

The players from the Mess were: Capt. A. Clifford, Major E. D. Waines, Major W. Murray, Major W. H. Baker, Capt. C. Irwin, F/O. S. Hill and Capt. L. Sleen.

Mr. McConachie in the "Billiards" Magazine had this to say about his Calgary visit: (The remark about our table may come as a pleasant surprise to some of our members.)

## • ENJOYED CALGARY

"Calgary was only a two-day venture, but those two days were well worth while. I entertained the Canadian Legion for two sessions and a most enthusiastic audience,

even boisterous at times, was easy to entertain. The billiards were something new to them; the snooker they enjoyed, but the lesson on ball control and the trick shots seemed to steal their fancy. I signed their autograph book, which was started by H.R.H. The Prince of Wales, and signed by all the notables visiting Calgary. Since that time I feel proud to be New Zealand's world champion.

"At the Garrison Officers' Mess I played on the perfect billiards table, and made a couple of 400's, one in the afternoon and one at night. The officers were the nicest I have ever played for, in what was certainly a perfect setting. I practised there a little and really enjoyed playing for them, and I must thank Mr. Sleen for the engagement and such an enjoyable time."

---

## RIBBON DISPLAY

Major F. Burt-Johns presented the Alberta United Services Institute with a mounted collection of ribbons of the Second Great War.

He was thanked by letter by the directors of the Institute on behalf of the members.

# ANNUAL MESS DINNER, 1957

A warning that NATO ties are weakening in a "resurgence of German military might" which could lead to a Third Great War was given by Air Vice-Marshal J. L. Plant when he spoke to members at the annual Vimy Dinner April 12, 1957.

The retired R.C.A.F. officer said some European partners are already breaking away from NATO and pointed out that should NATO break up after re-arming Germany it would leave that country with the greatest land force of any NATO country and conceivably pave the way for another major conflict.

"Would it not be a tragedy for Germany, whose world power ambitions we have twice had to thwart, to be the cause of it?"

## • WEAK TERMS

One of NATO'S weaknesses was in the terms under which it operated, Air Vice-Marshal Plant said. Air defence over national territory was defined as a responsibility of that nation. This was weak, he felt, because a country such as Britain must rely on an early warning system "as far east as possible" in order to protect herself.

This involved establishing the warning line in Germany and giving her concessions in return. Thus Germany is being restored to the status of a world power while NATO becomes weaker. He expressed confidence, though, that the German threat could be met.

"The Germans could have taken Russia the last time had the Western powers not

intervened. We took the Germans and we can take the Russians, if it's necessary."

## • NEW WEAPONS

Referring to the effect of modern weapons on the planning of a defence in a future war, the speaker said that inter-continental weapons were "just around the corner." He noted that Britain was already taking them into account in her announced cutbacks in manpower by 1962.

He defended the DEW and mid-Canada lines, noting that some critics had referred to them as a China wall.

"The China wall has lasted a long time," he commented, "and these can, too. Perhaps they have deferred the time of the next war, and the one after that."

## • THIRD WAR COMING

He said he had no doubts there would be a third major war in the future, but he thought it could be delayed "a long time." The cost of the Second Great War had been estimated at about \$3 trillion, adding that this represented more money than has been spent on all the schools, churches and hospitals "since the birth of Christ."

The next war, he warned, could cost us "all human life on earth." Even now some experts are predicting that the carrying out of only "a few" more hydrogen bomb tests "will spell the end of life on earth as we know it."

Following Air Vice-Marshal Plant's address, Col. J. S. Ross, Calgary Garrison Commandant, paid tribute to the "heritage, courage and devotion to duty" of those who served at Vimy.

---

## TOURNAMENTS— BILLIARDS, SNOOKER, CRIB —(1957)

The 1957 year-end billiards, snooker and cribbage tournaments of the A.U.S.I. (which includes the A.U.S.I. Garrison members and Currie members) followed the traditional pattern. Handicaps for the green table games were arranged with great clamour and protest . . . and non-contestants exerted their privilege of offering gratuitous and to-be-heard advice to the handicapping committee.

All was finally arranged, matches were held and the outcome was:

Snooker Champion—"Scotty" Hill.

Runner-up—"Bus" Lacey.

Billiards Champion—Jack Anschutz.

Runner-up—Aubrey Edwards.

The cribbage tournament was won by: Bob Lucey. Runner-up—George Kelly.

In the Calcutta Pools the owners of the winning players split:

Snooker—\$640.00.

Billiards—\$630.00.

The 1958 year end tournaments are now under way with quite a number of new players expected to reach the finals.

## MILITARY BALL, 1957

The receiving line shown above is, left to right, seated: Mrs. E. D. Waines, Mrs. H. L. Mackenzie, Mrs. R. Jackson and Mrs. R. H. Gunderson. Standing, left to right, are: Major E. D. Waines, vice-president of the A.U.S.I.; Sqdn.-Ldr. H. L. Mackenzie, president of the A.U.S.I.; Capt. R. Jackson, past president of the A.U.S.I., and Lt.-Col. R H. Gunderson, president of the Garrison Officers Mess.

PART OF THE HUGE CROWD ATTENDING

The most colorful of Calgary's traditional social functions—The Military Ball—was held Friday, November 15, 1957. Ladies in flowing evening gowns were escorted by men in formal dress or colorful dress uniforms. Members of the public gathered for hours outside and within the hotel to see the arrival of those attending. Service personnel from the three services stood at attention in the lobby. A fanfare of trumpets from The Lord Strathcona Horse heralded the guests.

# IMPERIAL DEFENCE COLLEGE

## GROUP ENTERTAINED BY A.U.S.I.

A British Army general who has been a post-war commander in Berlin, Malaya and the Middle East was among the staff and 17 students of the Imperial Defence College Great Britain, when they visited Calgary, Thursday, August 7th, 1958.

Heading the visit was General Sir Geoffrey K. Bourne, KCB, KBE, CMB, commandant of the Imperial Defence College, the British Commonwealth's top military training established. General Bourne was General Officer Commanding the British sector of Berlin in 1949-51, Malaya in 1954-56, and was Commander-in-chief, Middle East Land Forces, 1956-57, during the critical period of British-French action in Suez.

The year-long course at the Imperial Defence College includes extensive studies of the geopolitical aspects of defence. In the final weeks of the course students are assigned to syndicates, which carry out separate tours of North America, Europe and the Far East, studying the industrial and economic systems and conditions in various countries.

### IN THIS AREA

During their one-day visit to Calgary the students, made up of senior officers from throughout the British Commonwealth, were scheduled to tour the Glenbow

Foundation, the ranches of Don Matthews and Clem Gardiner at Pirmez Creek, west of Calgary, and attend a buffet supper at the country home of Lt./Col. George McMahon. Thursday evening they attended a reception at the Mewata Officers' Mess as guests of the Alberta United Services Institute.

Besides General Bourne, the visiting party included several top-ranking armed service and government officials from various parties of the Commonwealth.

The A.U.S.I. reception, at the request of military authorities was a mixed cocktail party open to all members. Several hundred members and wives attended.

Among them were Brigadier A. T. J. Bell, Australian Army; Richard A. Beaumont, RM, Foreign Service; Captain L. W. D. Argles, RN; Colonel Marshall St. John Oswald; Group Captain Cuthbert Gordon Stowell, RAF; John H. Thomas, Was Office; Lieut.-Col. M. C. K. Halford; Brigadier Harbakhsh Singh, Indian Army; Brigadier George P. Hunt, Australian Army; Jamshar Gustad ji Kharas, Pakistan Foreign Service; Captain L. W. Napier, RN; Nazir Ahmed, Pakistan Civil Service; John G. B. Cooke, RN; Arthur N. V. Dobbs, New Zealand Public Service; Brigadier C. I. H. Dunbar; Michael E. Fletcher.

Group Captain D. E. Galloway, of R.C.A.F. Station Penhold, gave a talk to A.U.S.I. members on June 11th. He outlined present Air Force Training procedure. His talk was very clear cut and interesting. This is the second officer we have had from Penhold. In 1957, Scd/Ldr. David Halcrow gave an evening to speak to the A.U.S.I.

\* \* \*

(Lieutenant General Graham, this year retired as chief-of-general staff, Canadian Army, has since made a survey of Canadian Civil Defense. His report to the government at this time has not been released.)

\* \* \*

In 1958, the A.U.S.I. again contributed \$50 to the expense of the Colonel Belcher Hospital Veteran's bus. The request was made by Mrs. Fred Harvey of the Colonel Belcher's Women's Auxiliary.

The 1958 Barbecue at Sarcee was attended by about 450 members and guests. The opening of the new Strathcona Horse quarters in another part of Sarcee, and the opening of the new Petroleum Club, were competing events that day.

\* \* \*

On March 26th, Lt.-Col. Charles Lithgow, officer commanding, Queen's Own Rifles, gave a talk to the A.U.S.I. on the soldier as an individual, a person and a citizen. Colonel Lithgow was an interesting and Colonel Lithgow was an interesting and articulate speaker and his subject, an unusual approach to soldiers problems.

\* \* \*

Major E.M.P., O.R.M.E., M.B.E., was appointed Honorary Chaplain at the A.U.S.I. during 1958.

## A.U.S.I. SUPPORTS CADETS

In conforming to one of its principal functions, the A.U.S.I. has actively supported tri-service cadets during the past year.

In the A.U.S.I. area from Red Deer east, west and south to the borders, there are 48 tri-service cadet corps comprising some 2,400 cadets.

For the year 1957, a sum of \$500 for proficiency awards was made available to these corps. In Calgary a special tri-service hockey trophy was presented by the Institute for the winning team. This will be on an annual basis.

In all cases of awards, a member of the directorate has visited the cities and towns concerned to personally present them. In each case, a special function was held in the form of a dinner and a parade at which our representative made the presentation.

An annual cadets tri-service church parade in Calgary was inaugurated on Sunday, June 1. The Lieutenant Governor, the Honourable J. J. Bowlen, very kindly attended and took the salute during the

march past. Unfortunately, due to inclement weather, the Naval and Air Force cadet portion was cancelled. However, this will be an annual parade and, as was the case this year, the A.U.S.I. assisted in the arrangements.

In addition to the foregoing cadet activities, the Institute also offers to ex-cadets the Wing Commander Freeman scholarship of \$300 available annually.

In order to maintain the close liaison necessary with the cadets and youth plans, a cadet committee was appointed to be responsible for this very important function of the A.U.S.I. The committee for 1957 and 1958 is Capt. Reg. Jackson, Lieut.-Col. John H. Monney, S/L. Herb MacKenzie.

. . .

### "CALCUTTA POOL"

The billiards and snooker tournaments will be followed with great interest this winter at the Garison. Last years "Calcutta Pools" reached a total of over \$1200 —this year's over \$2600!

---

## PAST PRESIDENT'S ANNUAL ADDRESS — Continued from page 3.

I am also pleased to announce the first award of the Wing Commander Don Freeman Scholarship to a former air cadet, namely Donald McKinnon of the Olds Air Force Cadet Unit.

As a commemoration to past presidents the names of all past presidents of A.M.I. and A.U.S.I. are being inscribed on the Institute's gong.

In closing, my personal thanks to Col. J. S. Ross and his staff for their co-operation and support, and to our Garrison mess president, Lt.-Col. Gunderson, and to Capt. Sleen and his staff for their assistance and co-operation in handling of all our activities.

My thanks to all the members of the directorate and my appreciation and thanks also to all members for their support and interest in the affairs of the Institute during 1957.

May your support and interest continue for your president and directorate in the coming year.

CADET AWARD . . . Drumheller Sea Cadet Corps won the 1958 A.U.S.I. trophy for the greatest improvement during the year. Lt. R. Brennand, Commanding Officer of R.C.S.C.C. FURIOUS, receives the trophy from Major E. D. Waines, A.U.S.I. President.

Cadet Sgt. Major Harold Stuckert, of the Banff Cadet Corps No. 2351, is shown above receiving the Alberta United Services Institute trophy for "best army cadet corps in Southern Alberta." A cash award of \$125 goes with the trophy. The corps is sponsored and trained by the 23rd Battery, RCA (M), of Banff, under command of Major W. G. Robinson. The A.U.S.I. prizes were presented by Major E. D. Waines, president of the institute.

## "YOUNG" SERVICEMEN RECEIVE A.U.S.I. SUPPORT

In the above picture youths in the militia's new Young soldier training plan are shown in the pass-out parade at Currie Barracks. Col. H. T. R. Gregg, Militia Commander, took the salute. At the parade a cheque for \$100.00 was presented to Lt./Col. Broadberry for the unit by the A.U.S.I. president. The young soldiers

completed a six weeks' summer course following which 83% enrolled in militia units. Cheques for the same amount also were given to the Young Seamen and to the Young Airmen this year, bringing the A.U.S.I. support for 1958 to \$300.

# A.U.S.I. AND GARRISON REQUEST SPACE TO KEEP PACE WITH GROWING NEED

This summer the A.U.S.I. and the Garrison joined together in a request for much needed space in the armouries. This is not the first request. Previous requests have been shelved for technical reasons or because those concerned became so enmeshed in red-tape and controversy that they lost sight of the objective.

This year it was different.

There can be no complaint about delays or lack of interest by army officials since the Garrison and the A.U.S.I. made a new start of the campaign in early May.

The additional space planned would be on the west end of the mezzanine floor of the armouries. It would join with what we presently have by going through a wall of the present kitchen in the south-west kitchen area of the building. This would provide another large room, to be used when required for a dining room for up to 200 people . . . or for A.U.S.I. or unit use when the present lounge is reserved, and is closed to members. Many days now at noon a place to eat or even sit down is not available. This problem would be overcome. The plan also includes enlarging the billiard room and moving it; enlarging the kitchen and bringing it up-to-date; providing separate wash room facilities for staff only, and for women; providing a second bar set-up to be used for the new area during rush periods or when two functions require two bars.

J. A. Cawston, one of our members who designed our present lounge, prepared preliminary plans at the request of the Garrison and A.U.S.I.

During the year discussions took place between the A.U.S.I. president and directors, the Garrison president and directors, the Commander of 22 Militia Group, Commanding Officers of Militia units using Mewata Garrison, the Commander of Calgary Garrison and the area engineer's

office, Major-General Vokes of Western Command, Lt.-General Graham, then Chief of General Staff; and recently, in December, with Brigadier Meuser, Deputy Quartermaster-General. (Brigadier H. L. Meuser, O.B.E., C.D., was commander of the North-West Highway. He addressed a joint meeting of the A.U.S.I. and The Engineering Institute of Canada at the mess in 1957). Architects plans were shown, costs were indicated and approval sought.

At the present time everyone has indicated approval and permission without doubt will be granted for the space and changes subject to two considerations: (a) Money for the planned \$10,000 alteration and \$20,000 equipment must be provided from some source other than the army as public funds are not available for this type of program. (b) The changes must pass the requirements of the army engineers, which is reasonable.

An A.U.S.I. committee is now considering the next step that must be taken.

## NEW YEAR'S DAY, 1959

The A.U.S.I. program was somewhat changed this year. A.U.S.I., Mewata Garrison, 22 Militia Groupe will be joint hosts this year at 1000 hours to 1130 hours at Mewata. The Infantry Brigade Groups and Calgary Garrison and Queen's Own will receive at the Q.O.R. Mess from 1100 to 1300 hours; H.M.C.S. Tecumseh at the ship, also from 1100 to 1300 hours; Lord Strathcona Horse from 1100 to 1300 hours in their own mess; and the wind-up will be R.C.A.F. Station Calgary and Station Lincoln Park at Lincoln park officers mess from 1230 hours to 1400 hours.

## SPEAKER TO A.U.S.I. IN JANUARY, OPENS ALBERTA OFFICE FOR U.K.

Members will remember James Thomson, who was listened to with great interest on January 21st, of this year in the Armouries.

Since, Mr. Thomson has retired as Deputy High Commissioner for the United Kingdom in Ottawa and has established in Edmonton a new office known as "United Kingdom Information Service."

Mr. Thomson recently wrote promising the A.U.S.I., Brigadier Longrigg, an expert on Middle-East affairs, as a speaker, Thursday, April 9th, 1959. We hastened to accept.

Mr. Thomson's new task is to make and maintain contact with the Provincial Government and local authorities; the University of Alberta; high schools throughout the province; press, radio and television, and all those who seek a knowledge of the problems, policies, and achievements of the United Kingdom in particular and the Commonwealth in general. At the headquarters office in Edmonton, Mr. Thomson has a small staff dealing with everything connected with the United Kingdom (apart from trade questions, which are dealt with by the Trade Commissioner) ranging from requests for United Kingdom passports, information on United Kingdom customs duties to distribution of United Kingdom magazines, newspapers and official publications to individuals, libraries and the like throughout the province. Mr. Thomson himself travels extensively throughout Alberta in pursuit of the purpose for which his office has been established.

About the man himself, there is this to say: Mr. Thomson is a Scot and was educated at Edinburgh University.

He served in the First World War with the Second and Fourth Canadian Divisions in France.

He entered the British Civil Service by competitive examination and served in the

MR. JAMES THOMSON,  
C.M.G., O.B.E., M.M.

Now resides in Edmonton, Alberta

Mines Department, the General Post Office, the India and Burma Offices, and, since 1947, the Commonwealth Relations Office.

During the last war he was in charge of the Economic Division of the India Office dealing with supplies for India.

In recent years he has been in charge of the economic side of Commonwealth Relations Office, dealing with Commonwealth economic development. In 1950, he was a member of the United Kingdom delegations which dealt, at successive Commonwealth conferences, with the plan of economic development in Asia entitled "The Colombo Plan". He was United Kingdom Deputy High Commissioner in Ottawa from 1951 to 1954, and again from April, 1957, to April, 1958, when he retired from the public service — to be re-employed immediately as United Kingdom Information Officer in Alberta.

## ANNUAL MESS DINNER, 1958

At the Alberta United Services Institute 1958 Annual Dinner were leaders of the three armed services in Calgary. The guest speaker was Lt.-Gen. H. D. Graham, chief of the Canadian Army General Staff. Shown in the above picture are, left to right: Group Capt. W. A. Mostyn-Brown, C.O. 30 Wing R.C.A.F. Reserve; Lt.-Gen. H. D. Graham; Major E. D. Waines, President A.U.S.I.; Col. J. S. Ross, Commander, Calgary Garrison; Naval Commander G. K. Whynot, C.O. H.M.C.S. Tecumseh, and Group Captain C. V. Trites, C.O. R.C.A.F. Lincoln Park.

### LT-GEN. GRAHAM SAYS WEST WON'T START ATOM WAR

Lieut. General H. D. Graham, C.B.E., D.S.O., E.D., C.D., LL.B., Q.C., Chief of the General Staff, Army Headquarters, guest speaker April 11 at the Calgary A.U.S.I. Annual (Vimy) Dinner, said he doubts if such a battle as Vimy Ridge will be fought again in the modern-day concept of war.

"Canada's prime defence policy is the prevention of war."

Among the preventive means being used by Canada are the sending of armed service personnel to help the United Nations and NATO police danger theatres in Indo-China, Kashmir, Israel-Syria-Jordan borders, Egypt and Western Europe, he said. Lieut. General Graham said it is "anybody's guess" whether an attack would be made by bombers or missiles but those in the know say it is quite conceivable that missiles will replace bombers "but not completely" in any aggressive action on the part of a potential enemy.

Because total war would be "mutual suicide," he believes it is remote. Canada must continue to spend heavily to prevent localized attacks from air and sea, he said. The Chief of Staff said ground forces must be employed, in this concept of war, and able to meet the threat of localized nuclear war.

The ground forces must be equipped with air lifts and amphibious craft for great mobility.

This country should press for an international airborne police force as a deterrent to war.

If all measures to prevent war fail, Canada needs a strong civil defence force to enable the country to survive atomic warfare.

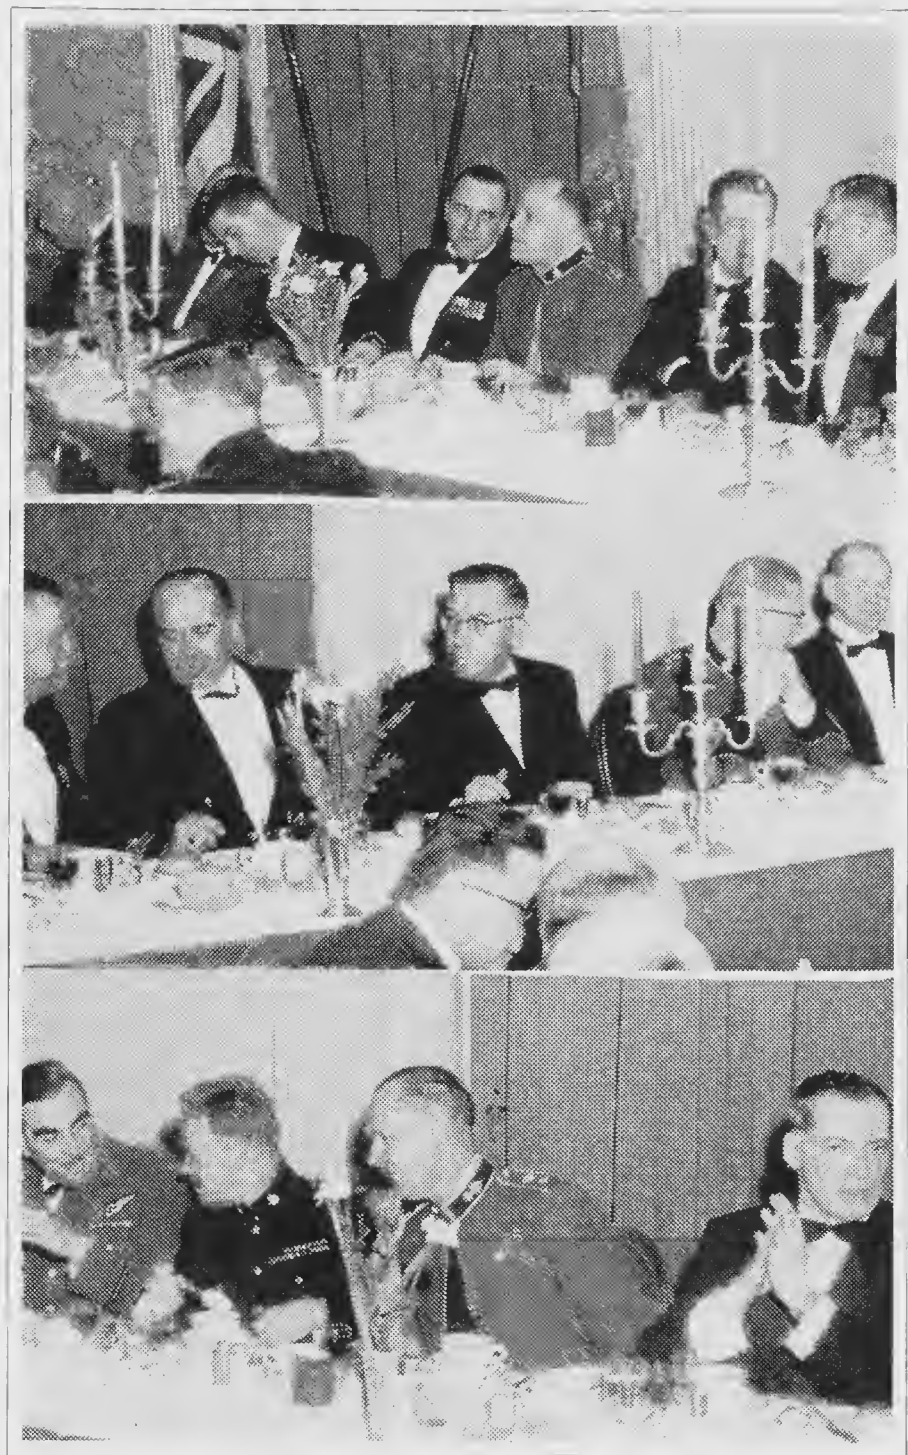

He said civil defence action is not only the task of the militia but regular forces task, too.

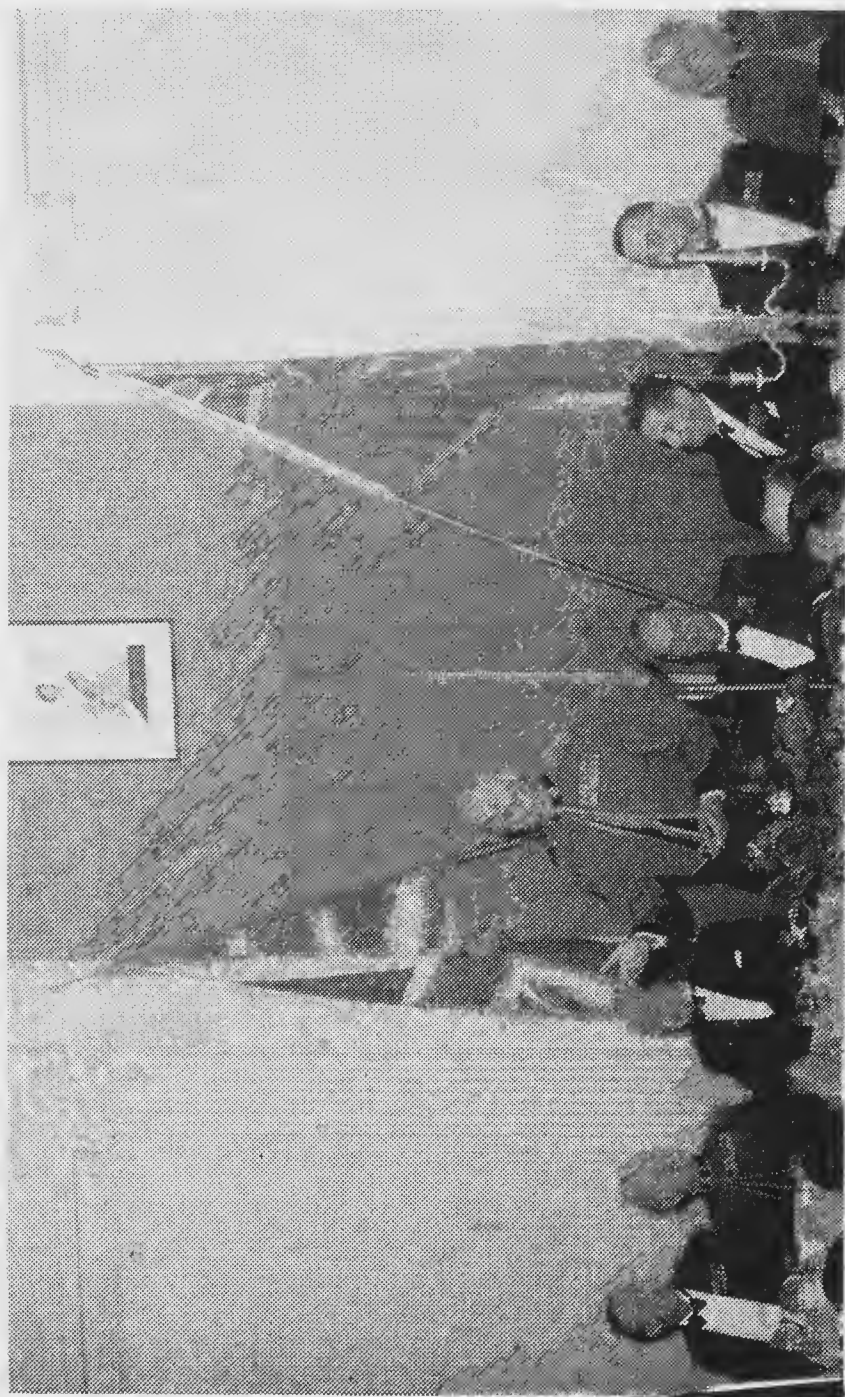

## GENERAL GRAHAM VISITED AROUND

The album of photographs following are from the 1958 A.U.S.I. Annual Mess Dinner. They show General Graham in animated conversation with A.U.S.I. members. Also shown are photos of the 1958 A.U.S.I. Military Ball.

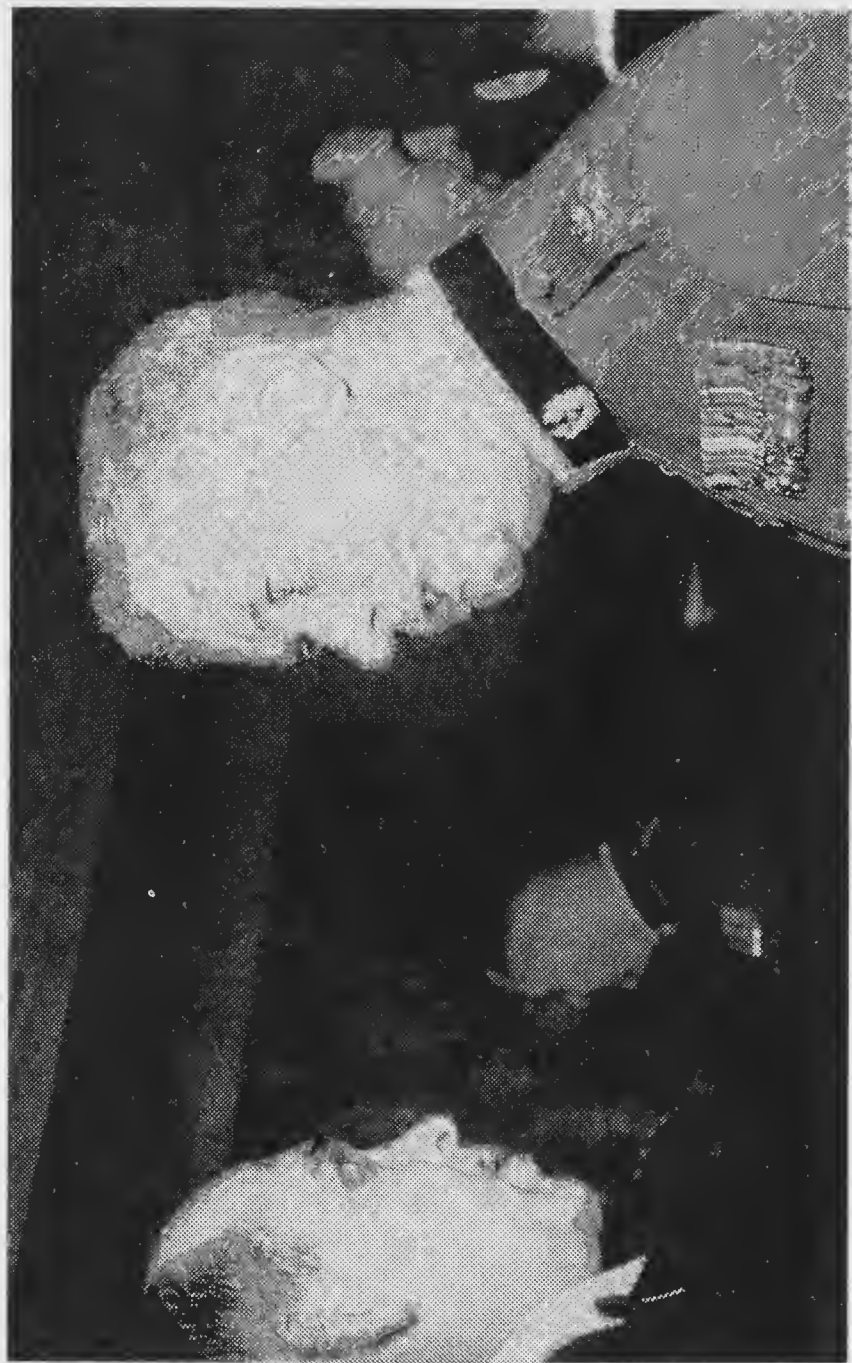

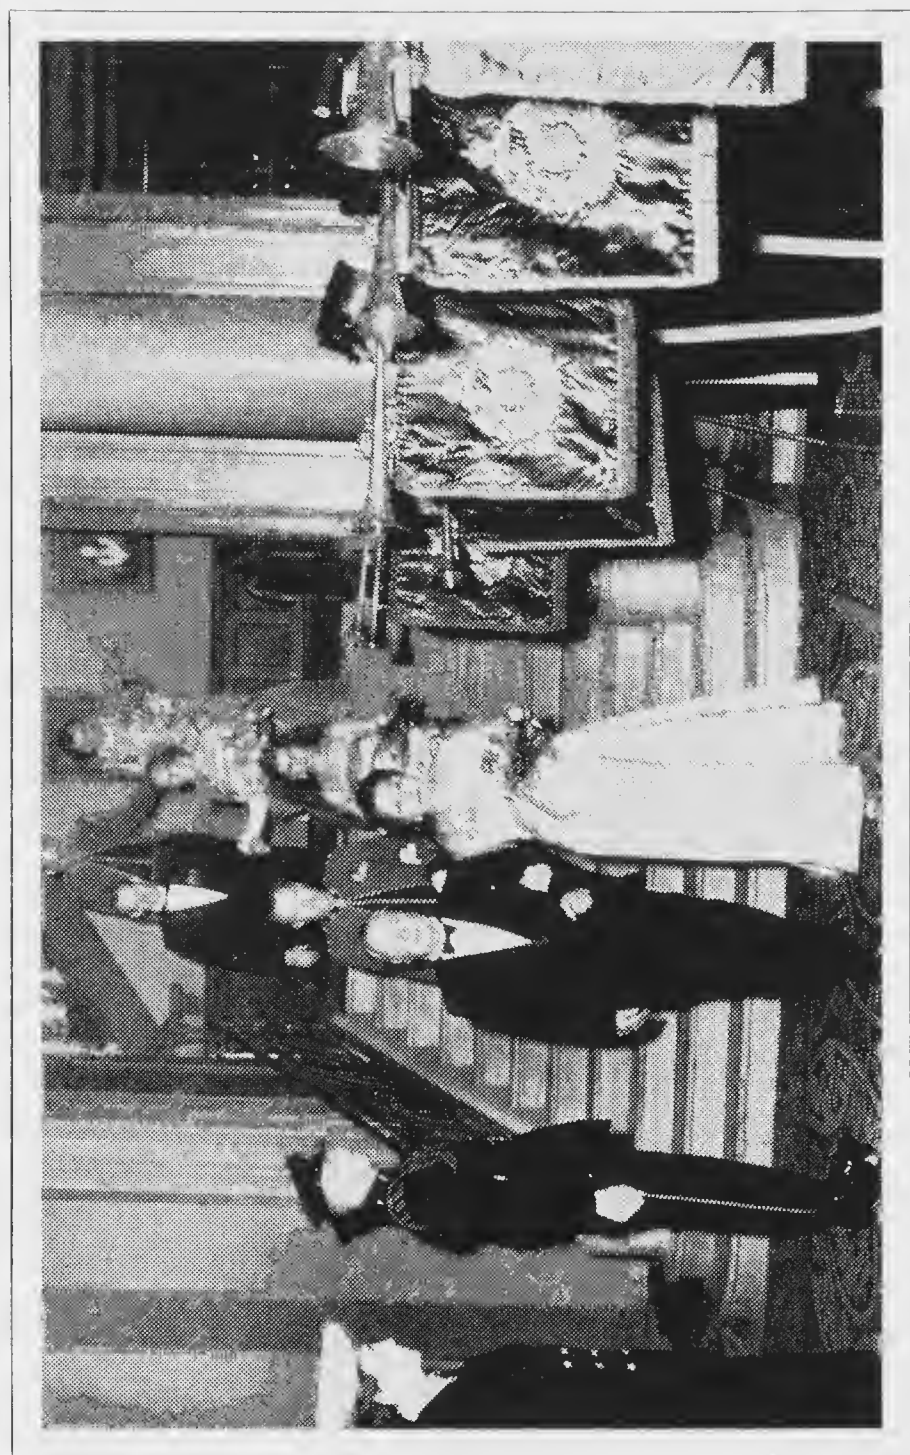

## OPENING \$10 MILLION "SARCEE" . . . A.U.S.I. MEMBERS TAKE PART

Shown snipping the ribbon to officially open the Lord Strathcona's Horse tank regiment's new quarters at Sarcee Camp, is Lt./Col. the Hon. Douglas Harkness, G.M., Canadian Minister of Agriculture. Left to right are: Col. J. R. Ross, Commander, of the Calgary Garrison; Major/Gen. Chris Vokes, C.B., C.B.E., D.S.O., G.O.C. of

Western Command (General Vokes is A.U.S.I. Honorary President). Lord Strathcona and Mount Royal, grandson of the regiment's founder; Lt./Col. Curtis A. Greanleaf, O.C. of the Straths at the time of the ceremony; and Brigadier F. M. W. Harvey, V.C. Honorary Colonel of the regiment.

# AUSI 1958 MEMBERSHIP

THE utmost effort has been made to bring the membership list up-to-date as at April 15th, 1958, in spite of numerous changes of station and private address. If any member is aware of a change which has not come to the directors' notice, he will confer a favor by notifying the secretary.
